## Sex and Relationships Education

Dear Parents/Carers

As part of our PSHE learning in Summer Term 2, Year 5 will be taught Relationships Education. This is a compulsory part of the curriculum, as of 2020 and the aim of this unit of learning is to put in place the building blocks for positive and safe relationships of all kinds.

Here is a link to a government guide which explains what the subjects are:

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/907638/RSE\\_primary\\_schools\\_guide\\_for\\_parents.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/907638/RSE_primary_schools_guide_for_parents.pdf)

Our learning will cover:

- growth
- changes to the body during puberty
- personal hygiene as our bodies develop

During RSE lessons if a child asks a question that we do not feel is appropriate to answer or that is outside of the remit we are supposed to be teaching, we will direct the child to speak to you, their parents. Teachers will let you know if your child asked a question that they feel you should be aware of. We have a confidential 'ask it basket' in each class where children can anonymously ask a question if they are unsure of anything and if appropriate the teacher will answer this question to the whole class. We will be using the appropriate scientific vocabulary when discussing anything to do with bodies and will set clear ground rules with the children on appropriate behaviour and discussion prior to the lessons.

Our teachers have a scheme of work to follow to ensure the subject matter is taught both sensitively and consistently across the classes. The lessons are designed to equip your child with knowledge to make informed decisions about their wellbeing, health and relationships as well as preparing them for a successful adult life. We are sure you will agree this is an important aspect of your child's learning.

If you have any further questions, or would like an opportunity to see the teaching materials we intend to use, please do not hesitate to contact the school. Our first lesson will take place during the first week back after the half term break.

Thank you for your continued support,

Mrs Horton, Mrs Woods and Mrs Crump

Year 5 Team
