

Dear Parents/Carers and Pupils,

What a wonderfully busy term we have had at Wordsworth Primary School:

- * School and Nursery photos
- * celebrated Children in Need
- * some classes have taken part in Taste Testing
- * A visit from Portals to the Past
- * Zoolab
- * Year 6 children went to AT for their residential.

We have also had many Christmas activities taking place in readiness for this week. All the year groups made and decorated some beautiful festive hoops which we hung to decorate our Gallery.

All our Children also enjoyed their Christmas performances and raising money afterwards with their Winter Fayres. Our Winter Fayres raised an amazing £1,052! We are so grateful for your support and this money has already gone towards:

- This afternoon's class online Pantomime for the children.
- The purchase of outdoor equipment for our children to enjoy.
- We have been able to sponsor a child through ActionAid; we will get updates as to how the sponsorship is helping to change their life by providing education and enough food to eat.
Please click here to learn more about ActionAid: <https://www.actionaid.org.uk/sponsor-a-child>

Our children were also able to enjoy their Christingle yesterday.

Years 5 & 6 went in the morning and Years 3 & 4 went in the afternoon. There are some photos which were taken of the Christingle on our website. Please check out our [Wordsworth Gallery](#).

This morning, we had a very special festive assembly.

The children and staff sang carols, and we had a special visit from Father Christmas! Each class got given a present of a toy they can play with, when it is raining outside and they cannot go out.

We hope you had a fantastic festive break, and we look forward to seeing you all again in 2025!

Mrs Hixon
Executive Head Teacher
