Important Safeguarding Alerts

The 'Add Everyone' WhatsApp group is recirculating amongst children. This group has been highlighted as a significant safeguarding concern due to the potential to expose children and young people to explicit, abusive and harmful content.

The group's purpose is to invite children to join a chat that contains inappropriate content and encourage them to add inappropriate comments and add other children but not their parents or safe adults. Children as young as 9 have been reported as being on this group.

Go to Safer Schools [Safeguarding Alert: The 'Add Everyone' Explicit WhatsApp Group - Safer Schools](#) for further detail and support.

Important Safeguarding Alerts

Spy Dog, Spy Cat and Spy Pups

In the front and/or back of some editions of the Spy Dog, Spy Cat and Spy Pups series there is a reference to the author, Andrew Cope's, former website for the series which was owned and managed by him. An unconnected third party has recently taken control of the domain name and is using it to display a different website with inappropriate adult content. This website is not associated with Puffin or Andrew Cope.

Hamwic Trust have Blocked this website on our school networks, and we have removed any copies of these books from your classrooms and library, until we can ensure the associated website is safe.

NSPCC – Talking to your child about online safety

LEGO® Build & Talk

We're working with the LEGO Group to bring Build & Talk activities to families across the UK. These activities make learning about online safety fun, hands-on, and easy to start.

School Rules

We have linked our school rules to our school values- Empowerment, Community, Trust, Nurture and Learning. The children and adults have broken each of the school rules down into 'what the children will do' and 'what the adults will do' to ensure all stakeholders know how to follow the school rules.

Please take time to chat about why School Rules are important and how we can all support each other in staying safe and having fun at Wordsworth.

If you in need of any support please do not hesitate in contacting us.
