### Parental Consents

On **Friday 23rd January** we will be emailing you all a link to click on and complete. This form will be a list of consents we require for your child. Up until now we have completed paper forms but we have streamlined this into an electronic form which makes completion not only easier and faster, and allows staff to check before photos are taken for our social media pages, website and events taking place in the school such as Forest Schools.

This is compulsory to complete and after half term, we will be checking the list and contacting those that have not completed it. *Please could only one adult complete the form per child.*

*A reminder will be sent out next week about this and before the date to check inboxes.*
