We ask you not to leave your cars in Anglesea Road and please do not use the spaces allocated to the Community flats. The easiest and safest place to leave your car is in Sainsburys Car Park as long as you do not exceed 90 minutes.

We also have a Facebook Page where we celebrate achievements; please click [here](#) and give us a follow!

We are working to enhance our nursery environment and provision with the addition of some more natural objects and wooden toys. We would gratefully accept any donations of working wooden toys in good condition that your children have grown out of or you no longer need. We are also looking for any good condition natural material baskets ie wicker, Kallax boxes (Drona), wooden crates etc as we want to make the area more natural and easier for the children to access their toys.

Please bring any donations to the school office or contact Mrs Hinton if you would like to know more about our plans for the nursery and how you can help. Thank you for your support.

MCAS Payment Error and Logins

There has been an update to the MCAS app which you will need to update. If it asks you for a school ID: 11909

The 5 digit pin is one you would have created, it is not one we provide you with. You will need to click on username and password. The username will be your email address and the password will be the one you would have created. If you cannot remember this, you can always press reset password and you should be sent a reset link.

NB: There have been issues with making payments for some people. Bromcom IT Services are aware of this problem and have escalated it. Please try your payments again if they fail. If they are successful you will receive an automated email receipt to your registered email address.

A gentle reminder that if you have an enquiry, please email: info@wordsworthprimary.co.uk and not teachers directly. This will ensure that all emails are seen by the right people, are logged on our system and will be responded to in a timely manner.
